

American Flag Project

Jacksonville Oceanside Rotary Club

WHAT IS THE AMERICAN FLAG PROJECT?

Residents of "The Beaches" (Atlantic Beach, Neptune Beach, Jacksonville Beach, & Ponte Vedra Beach) as well as the city of Jacksonville (upon approval by the Flag Chair) can get a 3-by-5 foot American flag installed in their yard during the 5 patriotic weeks of the year.

WHY SHOULD SUPPORT IT?

Oceanside Rotary financially supports a variety of charities & projects including a playground for physically disabled children at Neptune Beach Elementary School, Beaches Habitat & a skateboard park in Atlantic Beach, among others. When you support this project, you have a positive impact on your community.

HOW DOES IT WORK?

A 1/4" X 18" PVC pipe which will hold the flagpole will be pushed into your front lawn, flush with the ground. We deliver the flag before each holiday & pick it up again after the holiday. We do all the work!

WHEN ARE FLAGS FLOWN?

President's Day, Memorial Day, Independence Day, Labor Day through Sept. 11th & Veteran's Day. (February, May, July, September, and November).

WHAT IS THE COST & HOW IS IT SPENT?

The cost is \$40 per year. Your donation minus direct expenses is spent on local projects thanks to members paying any administrative costs with their dues.

CAN PLACE MY ORDER AT ANY TIME OF THE YEAR?

Yes! Subscription orders are billed each January. If you place your order during the calendar year, we will bill you for the remainder of that calendar year only and then a full year in January.
